

3-Day Feng Shui Intensive: Certified Master Consultant

\$4999 (12 Modules) + 2 Bonus Modules

Includes Consulting Book, Workbook + Assessment of Residence

Invest 3 days and acquire a mass of very advanced techniques and applications of Classical Feng Shui that will serve you the rest of your life!

This 3-Day class is an advanced class for those who practice Feng Shui and want to add to their knowledge base or those who have taken classes but have not been shown practical application of the formulas. The methods in the course are very high-level and sophisticated techniques. This is some of the most sought after knowledge that was first presented by Grandmaster Yap Cheng Hai. If you wish to take your consulting to new heights, call today!

Our classes are **amazing, exciting and very effective**, in just three days you'll know how to apply your new or years of knowledge to create impressive results. Classical Feng Shui has not yet reached its zenith in America, so the bottom line is...if you want to be competitive, you need good skills! The American College of Classical Feng Shui (ACCFS) helps you practice the correct principles *immediately* and with confidence.

Our classes are held in small intimate groups or one-on-one venues for maximum learning. See the syllabus for complete details. You will learn:

- How to identify negative formations that set into motion affairs, money loss, gambling, accidents, lawsuits and all types of disasters sparked by water, road or mountains and how to cure them. You'll even learn what year they can occur!

- How to design a new home from scratch—the ground up! How to work with architects and interior designers in the process. You'll get ideas for fees and a *Contract for Service* agreement template.
- The secrets and principles of water flow in relationship to a home for excellent results in money luck!
- All the wealth formulas in Classical Feng Shui for your clients including Grandmaster Yap's famous water dragons that are not taught in any other classes in the world!
- How to assist your clients in selecting a home, signing a lease on a retail space, renovating a home, corporate expansion/renovations, selecting a good office space and annual updates for homes and businesses.

Module 1: Master Skills

In this module we will discuss the stems & branches, the four frames, the 24 Mountains in Chinese, the advanced Luo Shu, the five elements, the Animal Clock, and numbers and Guas in Chinese.

Module 2: Negative Formations

In this course, you will learn to identify caustic formations such as the Eight Roads of Destruction (*loss of wealth and family*), the Peach Blossom Sha (*bad romance and affairs*), Robbery Mountain Sha (*robs energy of a home*) and the Eight Killing Forces indicating disasters such as serious accidents, and loss of life. Also, the detrimental Death and Empty Lines (DEL's) are discussed as well as a famous Asian technique known as Door Tilts. These negative formations will always involve real water/roads or a mountain. Learn how they can affect you or your client's money, body, relationships and how to cure them.

Module 3: Wealth Formulas: Part 1

In this course we will learn several wealth-producing techniques such as the Five Ghosts Carry Treasure, where it is said when applied correctly is like having five angels or spirits bring treasure right to your door. You will also learn the 48 Precious Jewel Line degrees (aka Gold Dragons), Five Ghosts Carry Treasure II and Three Harmony Doorways. This course also covers the correct *water flow* for all buildings and homes

Module 4: New Home/Building Design

This module will teach you how to work with clients in building a new home from the ground up. Learn how to read topographical maps, evaluate land, mountains and water for designing a superior living space! You will learn new-home design, major remodeling, and contracts/fees.

Module 5: The Chinese Luo Pan

In this course you will learn more advanced coding of the San Yuan Luo Pan, some interesting history on Luo Pans, and all the rings for the San He and San Yuan Luo Pan. This course also covers how to use it for creating water formulas and the 'heaven' plate or water ring.

Module 6: Advanced San He + Wealth Formulas Part 2

In this module you will learn additional, negative San He formations such as Eight Roads II, White Tiger Water, the Four Destructions, Six Harms and the Goat Blade (aka Triple Goat Punishment). Advanced wealth formulas such as the Sky Horse Technique (speeds up the Feng

Shui), He Tu Roads (harmony), Assistant Star Water Method, and the Court Official are also discussed.

Module 7: Tan Lang Stars (*Mountain Assessment*)

This course will explore the theory and uses of the Tan Lang Stars (3 Auspicious 6 Elegance) which is used to assess the chi of mountains.

Module 8: The 72 Piercing Dragons (*Mountain Assessment*)

In this course you'll learn how to assess the quality of mountains using the 72 Dragons and the 72 secret verses that are associated with this method.

Module 9: Commercial Design

At the pinnacle of your Feng Shui career will be using all the formulas and knowledge for huge, big-scale projects. Each of these mega-structures has special requirements in their design. Grandmaster Yap was famous for consulting on master-planned communities, banks, and hotels in Southeast Asia. You'll learn his theories and ideas for success.

Module 10: 60 Dragons (*Mountain Assessment*)

In this course we will explore the two levels of this method with the *Earth Penetrating 60 Dragons* and the *Expanding and Contracting 60 Dragons* (learning the secrets of the Na Jia).

Module 11: Xuan Kong Da Gua (*Wealth Formula*)

This is a specialized method or branch of Feng Shui used in a *ground up* design of a home or business. Four compatible elements need to be in place—facing, sitting, water and mountain. This module does not include XKDG date selection, rather its applications for buildings. It covers the history, origins and applications, the hexagrams: formation and grouping, the 64 hexagrams verses, Xuan Kong Da Gua method and techniques, XKDG charts and San Yuan Luo Pan rings, and XKDG examples of various methods.

Module 12: GMY's Water Dragons (*Ultimate Wealth Formula*)

In this exciting class, you will learn the water dragon formulas based on the Water Dragon Classic (*Shui Lung Jing*) that made Grandmaster Yap Cheng Hai famous. He learned this specialized system in Taiwan from his mentor, Master Chan Chuan Huai (*also spelled Tan Chuan Hui*). It is said that Master Chan's clients are among Taiwan's billionaires, including the Sugar King, the Cement King, and the Plastics King. The course includes the essential components in designing a water dragon for a private resident, master-planned community, or other commercial applications.

Module 13: Bonus #1 Cures and Enhancements Used in Classical Feng Shui

Module 14: Bonus #2 How to Conduct a Professional Feng Shui Audit
