

3-Day Feng Shui Intensive: Certified Professional Consultant

Invest 3 days and acquire a mass of techniques and applications of Classical Feng Shui that will serve you the rest of your life!

In this course you will learn sophisticated techniques to accurately analyze a home or business that will prepare you to be a sought-after consultant. You will learn how to simultaneously use Eight Mansions and Flying Stars, the two most important systems for interiors. Our classes are **amazing, exciting and very effective**, in just three days you'll know how to apply your new or years of knowledge to create impressive results. Classical Feng Shui has not yet reached its zenith in America, so the bottom line is...if you want to be competitive, you need good skills! The American College of Classical Feng Shui (ACCFs) helps you practice the correct principles *immediately* and with confidence.

Our classes are held in small intimate groups for maximum learning. See the syllabus for complete details. You will learn:

- How to match people to auspicious properties
- How to calculate and use the best and worst directions for each individual
- How to remedy the common problems with health, prosperity, relationships, children, co-workers and family
- How to plot a energy map (Flying Stars) for a home or business
- How to place furniture for the occupants per the home's facing direction
